16th March 2020

Dear Parents and Carers,

Hand wash/gel/sanitiser

It is understandable that at this time there are concerns around Coronavirus, particularly in school settings and around handwashing and hygiene.

School have been proactive in ensuring plans are in place to address handwashing and hygiene around school.

We would like to reassure parents and carers that there is plenty of soap readily available in school and that children are encouraged to frequently wash their hands throughout the day. However, if parents wish to send their children with hand wash, gel or sanitiser that is quite understandable but we would ask that these containers are clearly labelled with their child's name.

Can we also stress that they must not be shared due to potential allergies.

We will endeavour to keep parents and carers updated should there be any further developments.

Thank you for your continued support.

Mrs R Taylor

Interim Head Teacher
