

Year 3/4 Geography knowledge organiser

We live in the United Kingdom

The United Kingdom is made up of 4 countries: England, Scotland, Wales and Northern Ireland. Each country has its own capital city.

The **British Isles** also known as **Great Britain and Northern Ireland**.

Great Britain is made up of 3 countries: England, Scotland and Wales.

If farmers are not being paid a fair price for what they produce they will not be able to buy food, clothes, medicine or school.

Fairtrade helps over 1 million farmers and workers in 74 countries.

People all over the world earn their living by growing food or making things to sell.

Their food and products are shipped to other parts of the world.

There are 7 continents in the world. Each continent is made up of different countries.

7 continents map with 5 oceans

Test yourself:

What can you remember about fairtrade?

Where do we live?

Which countries make up the United Kingdom?

Can you name all of the capital cities?

Can you name all 7 continents?
